RE: 2021-2022 UW Faculty Grants: Your Action Required <http://www.ohr.wisc.edu/grants/>

The guidelines and application forms for the Research Service Grants and Faculty Sabbatical Leaves can be found online at: <http://www.ohr.wisc.edu/grants/> beginning July 1. *Please note the additional required forms (Sabbatical Agreement Form, Compensation Received During Sabbatical Assignment Form) are on this site under "Faculty Sabbatical Grants."*

Please also note that the Faculty Development Grant program will not be accepting applications for awards in the 2021-22 academic year due to budget constraints due to the COVID-19 pandemic.

Deans and directors should identify the dates the applications are due to your school or college and communicate the deadlines to departments. Deadlines to departments should be made based on internal needs. For some schools and colleges that do not have departments, you may only need a school/college deadline.

We anticipate the Research Service Grants and Faculty Sabbatical Leaves will be available as an online application process on **July 1, 2020**.

Faculty should read all documentation before starting to complete the online form including the Instructions, Screen Shots of the online application pages and Frequently Asked Questions. (See: <http://www.ohr.wisc.edu/grants/>)

Below are the campus due dates. Please note the Office of Human Resources (OHR) deadlines are firm. Late applications to OHR will not be accepted. This means that clear communication of the departmental and school/college deadlines is extremely important.

	Due in Department	Due in School/College	Due in OHR
Research Service Grants	Determined by chair	Determined by dean	October 2, 2020
Faculty Sabbatical Leaves	Determined by chair	Determined by dean	October 2, 2020

Please inform your chairs of the school/college deadline dates for submitting applications for each of these programs. Ask department chairs to forward this memo to their faculty with a note informing them of the departmental deadline for submitting applications to the chair.
