

# ANNUAL BENEFITS ENROLLMENT FOR 2023

## September 26–October 21, 2022

Annual Benefits Enrollment is the only time you can make changes to certain benefits without having an eligible life event (for example, marriage, birth, or divorce) or qualifying employment change during the year. Benefits you choose during this period will be effective January 1, 2023.

### Attend a Benefits Seminar and Learn About Your Benefits Options for 2023

You do not need to register in advance to attend any of these events. No leave needs to be taken to attend an event. Notify your supervisor if you wish to attend. Review your Annual Benefits Enrollment statement in MyUW to see your current benefits elections.
