

Annual Benefits Enrollment 2025

September 30–October 25, 2024

Annual Benefits Enrollment is the only time you can make changes to certain benefits without having an eligible life event (for example, marriage, birth, or divorce) or qualifying employment change during the year. Some benefits require re-enrollment if you wish to continue them into 2025. Changes made during this period will be effective January 1, 2025.

Attend a Benefits Seminar and Learn About Your Benefits Options for 2025

You do not need to register in advance to attend these events. No leave needs to be taken to attend an event. Notify your supervisor if you wish to attend. Review your Benefit Information in MyUW to see your current benefits elections.
