

Congratulations and welcome to the University of Wisconsin–Madison. We are pleased to have you join our organization. This document contains important information regarding your employment at the University. Please read and contact your supervisor with any questions.

Employment Eligibility Verification – Form I-9

This offer of employment is contingent upon verification of the appropriate identity and employment eligibility documentation on the Form I-9, as required by the Immigration Reform and Control Act of 1986. For more information on the Form I-9, please visit the U.S. Citizenship and Immigration Services website: <https://www.uscis.gov/i-9>. If you accept this offer of employment, and do not have an electronic Form I-9 on file with UW–Madison, you will receive an email with a link to the electronic I-9 system and instructions to complete Section 1. You must complete Section 1 of the electronic Form I-9 on or before the first day of employment. Upon completion of Section 1, you will see the list of acceptable documents needed to complete the process. You may also view the list of acceptable documents on the U.S. Citizenship and Immigration Services website: <https://www.uscis.gov/i-9-central/acceptable-documents>. You must present the required documents to your employing department, in person, within three days of your employment start date. If you do not have the necessary documents, you must provide a receipt from a U.S. government agency for replacement document(s) within the three-day limit, and you must present the required document(s) within 90 days of your employment start date. The law prohibits the University from employing or continuing to employ an individual who has not provided the required documents within the relevant time period. Failure to produce appropriate work authorization documents will result in termination of your employment.

Access to Information Technology Systems – NetID and MFA-Duo

Your NetID is your campus identity that allows you access to online systems and services used at UW–Madison. It includes a unique username (assigned by the university) and a password (which you create). In order to activate your NetID, you will enter your date of birth and either an activation key (provided by your department) or the 11-digit number found on your Wiscard. More information about activating your NetID can be found at: <https://kb.wisc.edu/page.php?id=1140>.

UW–Madison adds an extra layer of security to your NetID login through a verification process called Multi-Factor Authentication (MFA). This added step combines something you know (your NetID and password) with something you have (smartphone, token/fob) to verify your identity. MFA helps to protect both your online identity and UW–Madison digital assets. This multi-factor authentication is provided by Duo Security. Your hiring department will assist you with enrollment in MFA-Duo, and you will be required to use MFA-Duo on your start date. If you have questions or need help, visit <https://kb.wisc.edu/page.php?id=86220>.

Compensation Limits

Employees with multiple, concurrent jobs with the University of Wisconsin System or other State of Wisconsin agencies are subject to compensation limitations and responsible for potential consequences. Wis. Stat. 16.417(2) defines limits regarding concurrent employment with State of Wisconsin agencies. Full-time UW–Madison employees may not earn more than \$12,000 additional compensation from a state agency during a calendar year. As of July 1, 2013, University of Wisconsin System institutions are not defined as state agencies, so concurrent employment with another UW institution or UW–Madison department is not subject to Wis. Stat. 16.417(2). Full-time UW–Madison employees may not earn more than an additional \$18,000, or 20 percent of the employee’s base salary, whichever is greater, from another UW–Madison department or UW System institution in a fiscal year. Specific information regarding compensation limitations for concurrent roles is outlined in the UW–Madison Overload Policy: <https://kb.wisc.edu/ohr/policies/page.php?id=53140>.

Employees, applicants, and DDRs may consult with the Employee Disability Resources (EDR) Office at any time during the accommodation process. The [UW–Madison EDR Office](#) serves as the campus-wide hub for information on the disability accommodation process for employees and applicants. The EDR Office offers essential information, consultation, education, and referral services to employees, applicants, Divisional Disability Representatives (DDR), supervisors and managers to help minimize barriers in the workplace.

Mandatory Reporting Requirement of Child Abuse and Neglect

Wisconsin Executive Order #54 requires that UW employees make a report of child abuse or neglect immediately if, in the course of employment, the employee observes an incident or threat of child abuse or neglect, or learns of an incident or threat of child abuse or neglect, and the employee has reasonable cause to believe that child abuse or neglect has occurred or will occur. Reports must be made in-person or by telephone to UWPD, local law enforcement (if the incident occurred off-campus), or the local child protection agency. If the incident or threat of child abuse or neglect involves an allegation against a UW employee or agent, or the incident or threat of child abuse or neglect occurred on the UW campus or during a UW-sponsored activity, the reporter must also notify the Office of Youth Protection and Compliance or the UW Police Department. Employees who are mandatory reporters under Wis. Stat. 48.981(2)(a) shall comply with the requirements of the state mandatory reporter law. If a UW employee (who is not a mandatory reporter under Wis. Stat. § 48.981(2)) learns of possible child abuse or neglect from a medical record or in the context of a patient's receipt of health care services, then the requirements of the Health Insurance Portability and Accountability Act (HIPAA) and Wisconsin medical records laws must be followed.

Drug-Free Schools and Communities Act

As a UW–Madison employee, you are strongly encouraged to help make the University a drug-free workplace. You can do this by learning about the dangers and warning signs of substance abuse, encouraging others to avoid substance abuse, and getting help if needed — either for yourself or someone you are concerned about. As an employee, you are subject to the standards of conduct regarding drugs and alcohol as outlined on the Drug-Free Schools and Communities Act web page:

<https://alcoholanddruginfo.students.wisc.edu/dfsac-act/>.
