STAFF JOB POSTING (academic staff, limited, university staff, temporary employees)

CHDR Research Program Director

- **Location**: Madison, Wisconsin
- **Department**: SCHOOL OF MEDICINE AND PUBLIC HEALTH/CTR FOR HLTH DISPARITIES RSRC
- **Category**: Research
- **Employment Type**: Partially Remote
- **Employment Type**: Staff-Full Time
- **Employment Type**: Staff-Part Time
- **Apply By**: May 9, 2023 at 11:55 PM CDT

**Job Summary**

The Center for Health Disparities Research (CHDR) is growing its leadership and administrative team! The Research Program Associate Director position is a new and exciting role to oversee all the scientific research that is happening at this new campus center in the School of Medicine and Public Health. Our largest research study involves data from 22 sites across the USA and examines how social determinants of health throughout a person’s lifetime impact their brain health.

SMPh is committed to being a diverse, equitable, inclusive and anti-racist workplace and is an Equal Employment Opportunity, Affirmative Action employer. Applications from Black, Indigenous and People of Color (BIPOC) individuals, LGBTQ+ and non-binary identities, women, persons with disabilities, military service members and veterans are strongly encouraged.

**Responsibilities**

Assists with the oversight and strategic planning for a center or program and may assist with directing a variety of research activities. Allocates resources, secures funding, and supervises staff to ensure program strategies and activities align with the institutional mission.

- 10% Determines unit personnel needs and the unit personnel resource allocation plan
- 10% Serves as a unit liaison to internal stakeholder groups to foster cross-unit partnership efforts regarding research programs and activities
- 5% Serves as a consultant to project directors and provides technical expertise to research and operational personnel
- 5% Collaborates with project directors and the full range of clients whose knowledge and expertise varies
- 10% Manages large research projects for a center or program
Institutional Statement on Diversity: Template language for all postings

Diversity is a source of strength, creativity, and innovation for UW-Madison. We value the contributions of each person and respect the profound ways their identity, culture, background, experience, status, abilities, and opinion enrich the university community. We commit ourselves to the pursuit of excellence in teaching, research, outreach, and diversity as inextricably linked goals.

The University of Wisconsin-Madison fulfills its public mission by creating a welcoming and inclusive community for people from every background - people who as students, faculty, and staff serve Wisconsin and the world.

This position has been identified as a position that will be located in or regularly access UW Health locations. This position will need to adhere to UW Health policies and affiliated requirements. UW Health requires that anyone (all staff, faculty students, volunteers, and other affiliated individuals) working in or regularly accessing UW Health locations receive the COVID-19 primary vaccination series and first booster. This position will be required to adhere to that policy and if not in full compliance to have a plan for achieving full compliance within 40 days of the first day of employment. Additionally, you may be required to adhere to other vaccination requirements. Medical or religious accommodations will be considered.

Please be aware that successful applicants are responsible for ensuring their continuous eligibility to work in the United States (i.e. a citizen or national of the United States, a lawful permanent resident, a foreign national authorized to work in the United States without the need of employer sponsorship) on or before the effective date of appointment.

How to Apply: JEMS – Recruitment Info tab: How to Apply

To apply for this position, please click on the “Apply Now” button. You will be asked to upload a resume and cover letter as a part of the application process. Please ensure that the resume and cover letter address how you meet the minimum/preferred qualifications for the position. You will also be asked to provide three professional/supervisor references during the application process. References will not be contacted without prior notice.
