HEAD OF BRILLIANT LEADERSHIP

BRILLIANT LEADERSHIP

The entire composition is set against a solid purple background. It features several decorative elements: white polka dots scattered across the bottom and right sides, and pieces of torn, textured purple paper that appear to be taping the photos into place. The photos are arranged in a collage-like fashion, with the two-women photo at the top center, the purple-top woman on the left, and the light blue blazer woman on the right.
